"I only drink champagne when I'm happy, and when I'm sad. Sometimes I drink it when I'm alone. When I have company, I consider it obligatory. I trifle with it if I am not hungry and drink it when I am. Otherwise I never touch it - unless I'm thirsty."

DOM PÉRIGNON ŒNOTHÈQUE

It was at the Abbey of Hautvilliers, during the 17th century, that Dom Pérignon devoted his life to perfecting champagne and spreading its renown. Three centuries later, the same quest continues through the wine that bears his name. The chef de cave selects vintages that perpetuate the Dom Pérignon style, while ensuring the faithful expression of a particular year. Although each vintage follows its own curve as it matures on lees, there are three peaks or 'plenitudes', when vintages express their very best. When the first plenitude is reached, after six to seven years, the Dom Pérignon style is well established. When it reaches its second plenitude, the wine enters the Œnothèque. Like a fascinating journey into the Dom Pérignon heritage, the Œnothèque offers an insight into the diversity, intensity and complexity of these wines, and into the mystery of their creation.

We are pleased to present the following very rare and outstanding vintages of Dom Pérignon, recently disgorged.

THE HOUSE OF J. MOREAU & FILS

In 1814, the young cooper Jean-Joseph Moreau settled in Chablis where he married the daughter of a local wine grower. The house of J. Moreau & Fils was thus created.

Chablis is located near the town of Auxerre, and the vineyards are situated halfway between Dijon and Paris, known as the Golden Gate of Burgundy.

For close to two centuries J. Moreau & Fils has stood out as a great specialist in the white wines of Chablis and, due to its privileged location at the gateway of Burgundy, has extended its range to include other wines from this viticultural region, wines from the Loire, rounded out by the production of its own varietal and table wines.

The Old Course Hotel has developed a special relationship with the House of J. Moreau & Fils and Pascale Bres, their Managing Director. We are pleased to present these outstanding wines from their cellars.

"Wine has been to me a firm friend and a wise counsellor. Wine has lit up for me the pages of literature, and revealed in life romance lurking in the commonplace. Wine has made me bold, but not foolish; has induced me to say silly things, but not do them. If such small indiscretions standing in the debit column of wine's account were added up, they would amount to nothing in comparison with the vast accumulation on the credit side." Duff Cooper, "Old Men Forget"

"I'm sure Richard will improve with age like a good vintage port" Our Head Sommelier's 1st year report card from his Maths Teacher, Ron Walker.

TAYLOR'S[®] PORT

Taylor's is now over 300 years old.

It remains a family firm, completely independent, owned still by relations of the founders.

Taylor's is considered by most authorities to be the leading quality port house.

Famed for its long lived vintage ports and its sublime Tawnies.

Taylor's has always been an innovative house it was the first to pioneer the Late Bottle Vintage Style which has been copied by many other producers.
